

# R5BT

## RUBBER FINISH

The compact retro radio in trendy colours and a hip rubber finish. A design that sets the right tone, with sleek lines and a subdued illuminated tuning knob. Thanks to the built-in rechargeable battery, you can take your music wherever you go (battery life: 12 hours). Option of connecting to an external source. The Bluetooth function allows you to make a wireless connection with any tablet or smartphone.

The R5BT looks perfect on your garden patio, performing your playlist until the sun goes down.

COLOURS black / white / silver
