

VicPattern Ultra Beat XL

PROFESSIONAL AUDIO / HI-FI & HOME CINEMA / PUBLIC SPACES

Description

The new solution added to VicPattern line of acoustic panels is an extra-large panel drawn with a seamless pattern design, inspired by musical rhythms.

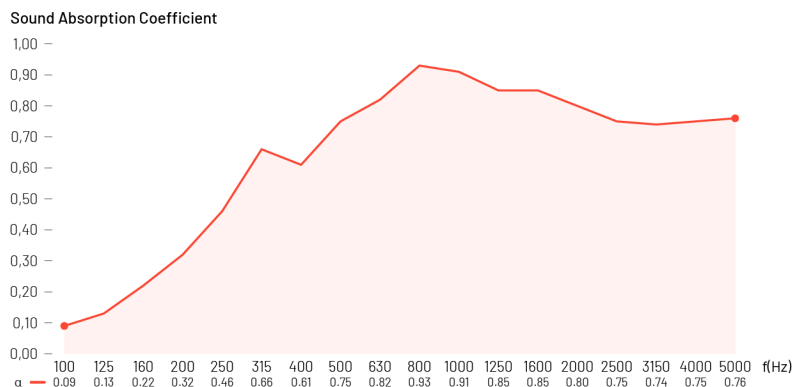

VicPattern Ultra Beat XL forms organic sequences along its four lines to create an exquisite acoustic panel for interior design where high acoustic performance is a requirement.

The high-performance sound-absorption VicPET Wool layer inside helps enhance the acoustic response of the panel, while contributing to Vicoustic's aim to produce greener and more environmentally friendly products made from recycled plastic.

Features

- Construction with premium MDF and anti-scratch HPL.
- Finish also on the sides
- Professional fixation systems
