

VicStrip Double Square PS WS

The exclusive design of VicStrip Double becomes more versatile with a square version of the panel. Being shorter, this 59.5x59.5cm panel is even more flexible to cut and adjust to any setting, blending with other panels in different dispositions and combinations.

The new size makes it possible to combine VicStrip in different sizes, complete surfaces that may not match the original sizes of the panels, and mix the panels in different dispositions or with other square acoustic panels. Being an acoustic panel shorter in size, VicStrip Square is even more flexible to cut and adjust to any setting.

Acoustic Performance

Technical Information

Dimensions: 595×595×12mm / 23.4"×23.4"×0.4" (L×H×W, per panel)

Raw Materials: HD VicPET Wool and High-Pressure Laminate (HPL)

Acoustic Properties: Medium and High Frequencies Absorption

NRC: 0.45 (applied directly on the wall); 0.85 (mounted on 40mm batten with VicPET Wool behind the panels)

Installation/Accessories: Flexi Glue Ultra, on plasterboard walls, wooden structures, masonry or concrete walls (not included)

Packaging Information

Units per Box: 8 units/box; **Box Dimensions:** 645×605×105mm / 25.4"×23.9"×4.1";

Box Gross Weight: 10.5kg / 23.2lb

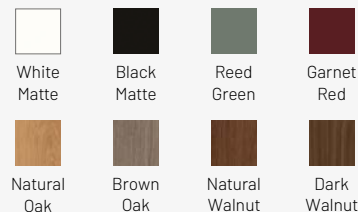

Vicoustic Vicstrip Panels (Non-Fr). Not suitable for applications requiring fire-resistant materials.

This product is a decorative panel and is not a building component. It is intended exclusively for use as a decorative element. It is not covered by the harmonized standards for construction products or the Construction Products Regulation (Regulation (EU) No 305/2011).
